

Synopsis

Seven-year-old Sean, abandoned by his neglectful mother, meets Larry - a quiet stranger with a hidden past. What begins as a chance encounter changes them both forever.

Director's Note

Everyone carries trauma. Every child on earth, in some way or another. I wanted to capture in Little Dog was the exact moment trauma takes shape - the brief instant that changes everything, forever. Not the aftermath. Not the healing. Just the moment it lands.

CAST

Sean - Eli Feingold
Larry - Nicolas Silva
The Mother - Mariela Narvaez
